

Town of Farmingdale F.R.A.C. Meeting Minutes August 22, 2016

The Farmingdale Road Advisory Committee (F.R.A.C.) met on Thursday August 22, 2016 following the Farmingdale Sewer Committee meeting at the Farmingdale Town Office.

Members Present: Ben Sanborn (Chair), Megan Hopkin, JoAnn Choate and Lisa McDaniels

Others Present: Natalie Jackson (Secretary).

Ben called the meeting to order at the close of the Sewer Committee Meeting at 7:20pm

✚ Minutes of last month's meeting were not available to approve.

Discussion: The committee will wait until after the bids are opened on 9/24/2016 before moving on to any other contracts that need to be put out to bid.

Conclusion or Action to be taken:

Discussion: Revisit list of things to do and work out a plan for the next 3 years. Is the Road Commissioner aware of the grand plan, FRAC would like to sit down with the Selectboard and the Road Commissioner to come up with a 3 year plan, FRAC feels that this should be a special meeting and not part of a Selectboard meeting. There needs to be a bigger study of Hayford Heights and FRAC would like to know who did the flow study of Hayford Heights. This is probably a 10 year project but will be done in 3 year intervals.

Conclusion or Action to be taken: If there is a 3 year plan then there should be a public meeting to make the residents of Hayford Heights aware of what will be taking place.

Discussion: See if we can get the current sewer mapping digitized.
