There was discussion on repairing streets in Hayford Heights. The town will get Park Street engineered and then decide how much can be done.

The plan is to get paving done that is on the agenda for this year and then put Hayford Heights on the agenda for next years budget. We can get it engineered this summer and put the bid out in the fall with stipulations that it can not be started until after approval at town meeting. Doug will inform residents in the Select Board letter for the town report that Hayford Heights will be on the agenda for road repairs.

March Contracts:

- ❖ Paving
- ❖ Ditching
- ❖ Culverts

Roads have been great with no complaints.

- ✚ Eben made a motion to adjourn the FRAC meeting at 6:53pm.
- ✚ Robert 2<sup>nd</sup> the motion
- ✚ Vote 3-0-0
