We have been discussing the possibility of converting back to propane from natural gas, and have requested Down East Energy to give us a cost analysis estimate to see if we can save some money.

Assistant Chief Laplante has asked if we are interested in doing sand for seniors this winter. The fire dept will deliver the sand to the seniors. Lowes has donated the five-gallon buckets to use for the sand. Both Doug and Joe are in favor.

Rick Sieberg- talked about uncollectables for ambulance services. Rick provided a break down of options to choose from and a payment plan for paying back this debt. Doug mentioned he had discussed the options at previous meetings and they feel option two is best for the town and to get rid of the debt sooner.

Please refer to the Audio on our website for further discussion on this subject.

Tami Symes-discussed the situation with the neighbors on Maple St. The neighbors have turned their property into a Junk yard, they are burning mattress's, tires and furniture and now there are rats running around. She is asking the town to help her get their property cleaned up. Doug ensured her that her property is on our radar and we will keep her up to date of what we are planning on doing.
